Dear Dr. Lederberg:

In my absence, the letter and Program Proposal memorandum mailed to you on August 7 contained some typographical errors and dropped lines, which are corrected below and in the attached revised memorandum. There are no changes in the Progress Report memorandum, which was mailed at the same time.

Please note the following corrections in the letter:

On page one, sixth paragraph should begin: "Our memoranda are addressed...."

On page 2, item 4, second line should read "...contributors to FIBER,..."

On page 2, last line of eighth paragraph should read: "...\$474,000 budget."

Please substitute the revised memorandum for the original.

My apologies for these errors, due mainly to a few remaining bugs in our new word processor.

Many thanks.

Sincerely,

*Paul Leventhal*  
Paul Leventhal

*Dr. Lederberg - I hope you can take the time to give me your thoughts and to attend our next Board meeting, probably in Sept. You soon will be receiving detailed minutes of our June meeting. P.*

The Fund for Integrative Biomedical Research is a non-profit corporation. Contributions are tax-deductible.
